SANKALP
SAHAYIKA & SAMYUKT

SAHAYIKA is a pre-vocational training programme for students ranging from ages 14-18. They are given training in the basic skills required for a job and at the work place.

These include:

Life skills,

Social skills,

Communication skills &

Specific job related skills.

SAMYUKT was conceptualized & set up by the Sankalp Trust in 2018 to impart vocational training to students aged 18 & above.

Advanced specialised training is given in different areas such as :

Bakery,

Weaving,

Eco-friendly tableware,

Paper product making,

Beadwork, Embroidery & Sewing.

WOVEN PRODUCTS

Weaving teaches many developmental skills while offering a creative and challenging learning experience. As they weave, children develop fine motor skills and learn to create 3-D art, or think in three dimensions.

ECO-FRIENDLY LEAFWARE

The image shows two circular, shallow leafware items, one slightly larger than the other, made from dried, pressed leaves. They have a natural, brownish-gold color and visible vein patterns. The items are resting on a dark, speckled surface, possibly a countertop. The background is a plain, light-colored wall.
